

## Birthday Poems for Dad

When I'm needing loads of money  
you may not find it funny  
that you my Dad can be  
the one I need to see.  
Or when I need a lift to work  
please don't go berserk

**When I'm needing loads of money  
you may not find it funny  
that you my Dad can be  
the one I need to see.**

**Or when I need a lift to work  
please don't go berserk  
that you my Dad are right  
especially when its night.**

**You're always there it seems  
to help me with my dreams  
and with you by my side  
in you I can confide.**

**I have learnt this my Dad  
I knew it as a little lad;  
That Dad's are strong  
and never wrong  
That Dad's are right,  
of manly height  
Always in, never out  
only ever calmly shout.  
In fact you're just like me  
I know you will agree!**
