

# Birthday Poems for Mum

Top of the list  
I see your name  
my mum it reads  
the hall of fame  
and there you are  
because it's fact  
the truth is out  
I have no tact.

**Mum it's you, I'm sure you see  
that you've always been so strong  
for me. That when in doubt you  
make me feel like with these  
problems I can deal. Happy  
Birthday Mum!**

**You're always there  
and always care  
that everything  
is completely fair  
my mummy  
no one can compare!**
